

Sweet Melodies by the Praise and Worship Team

By Christine Khisa Mutamba

Team member youth to walk down the aisle and say "I do."

We congratulate and pray for her and her fiancée to have a blessed and happy marriage.

Vibrancy in worship and liveliness in the church is mostly determined by the music ministry. However, it's not just about vibrancy but the ability to concentrate on God and worship.

This is only possible when the individual team members are growing themselves and being able to worship God individually. The music team has continued to jell and grow together with frequent night vigils and regular training and weekly practice.

It has nine committed and regular members plus instrumentalists. Besides Sunday worship, last year the Worship Team participated in Peace -Building Music Festival in Kibera and was declared the overall winners. Kudos!

They are: Millicent Adem, Rosemary Ganira, Levi Ganira, Helen Tisi, Ann Wavinya, Jescaj Ondisa, Monica, Charity, Karoli, Henry Achach, Winnie and Christine Khisa. One member, Jescah, will be wedded last month (April 8) and was the first NBC Kibera Praise and Worship
